FRESHWATER RIVER & LAKE

TAKE YOUR ADVENTURE FARTHER.

Take it upriver. Now take it farther upriver. Now take it up through the rapids. Now take it into water as shallow as 4", and do it at nearly 50 mph. Now fish where almost no one else can follow. That's what you do with a Sport Jet. With its shallow-draft hull, 200 horsepower Mercury Optimax Sport Jet inboard engine, and all the usual strength and safety of a Hewescraft, you can extend your adventures into water very few boats can handle. Now take a good look around—where will your Sport Jet take you next?

FAST AND FUN.

Quick, on-demand power—without the danger of a propeller in the water—also makes the Sport Jet an excellent tow boat for the tubers and skiers in your family. Add to your boating tradition with a sport boat that will do more than take you to the fish; it will take you to the fun.
